

ATTENTION

Georgian College Canadian Automotive Institute Alumni

Now CAI Alumni can earn a Georgian College Bachelor of Applied Business – Automotive Management degree on a part-time basis through e-learning technology

If you're a graduate of Georgian's three-year Business Administration – Automotive Marketing or Administration des affaires – Marketing automobile diploma programs, you're eligible!

The first step to obtaining the Bachelor of Applied Business – Automotive Management degree is to complete the Qualifying Bridge program. This program consists of six courses that you may take online in the comfort of your home. Upon completion you will proceed to the Automotive degree program.

University transfer credits may apply to the degree completion program courses only.
