

Get your Certificate of Achievement in Automotive Business Studies

These part-time credit courses are currently being offered **online**. This flexible delivery method will enable students to maintain their jobs, study at home and receive academic credit for courses completed.

Now more than ever before it is imperative to keep up with industry developments. **Online learning is the perfect way for you to do just that.**

Technology has allowed us to bring education to every corner of our country...

– Jamie Rossiter, President of
Canadian Association for Distance
Education
(MacLean's Magazine, November 2006)
