

Take charge of your career through Innovation in Automotive Training

The free **Career Exploration training program** seeks to attract people to a career in Canada's auto care sector.

The type of work that automotive tradespeople do is being transformed by technology. The development and expansion of electric vehicle sales have driven a need for new skills and expertise in automotive repair and maintenance.

Career exploration training program

This program consists of in-person theoretical and hands-on training led by College instructors for 2-3 days a week.

Eligibility:

- 18 years of age or older;
- a Canadian citizen, Permanent resident or awaiting Permanent resident status;
- unemployed or underemployed;
- interested in a career in automotive trades;
- a resident of Ontario.

Topics will include:

- Safety
- State of the art tools and use
- Diagnostic trouble codes
- Safety and Introduction to EVs
- Vehicle maintenance
- Automotive customer service

Two free training sessions are offered:

Fall 2023

Winter 2024

The training will take place at the
Fanshawe College, London campus.
