

Unlock your shop's success with up-skilled mentorship training for automotive shops

Learn how great mentors drive business success

Strong mentorship is more than a leadership skill – it is a business growth strategy. The Mentoring Excellence Program equips automotive shop owners, managers, and journeypeople with the tools to:

- Attract and onboard top-tier talent
- Develop effective training techniques
- Foster collaboration and team loyalty
- Build a mentorship culture that drives productivity

Why attend?

Empowering your staff does not just strengthen your team- it increases customer satisfaction, enhances shop performance, and prepares your business for long-term success.

Flexible learning:

Choose the live virtual sessions that align with your goals and schedule. These sessions will be taking place in Fall 2025 and Winter 2026 via Zoom.
